

Bakesale

The latest attempt at the Digital Display System for WVH

Current Status:

- Client and server both functional, on crew local network.
- Setting up PIE for Systems/ Matt
- Print Queues (Nathan)

Next Steps:

- Public access/ IP
- Non-static slides

Documentation:

- [Server Documentation](#)
- [Client Documentation](#)
- See: [DDS-Overview-4-3-2014.pdf](#)

Ideas for Future Versions

- [Backbone](#)
- [ZeroMQ](#)
